CHARLES A. GATES ENDORSED.
For Delegate from 2d Congressional District to Republican National Convention.

Saturday at the town hall in this city there was held a convention of the Republicans of the Twenty-ninth senatorial district, when all the preliminary business was transacted and the election was held in New Haven April 16 and 17 was transacted. The convention was harmonious and everything went smoothly. Charles A. Gates of this city was endorsed by the convention as delegate from the Second congressional district to the republican national convention.

Charles A. Gates called the district convention to order as state central committee member from the district. Charles O. Thompson of Pomfret was chosen chairman, and B. L. Bailey of Brooklyn was selected as clerk.

The list of delegates was read and all responded except three. Frank R. Jackson of this city was chosen to take the place of Hon. Guilford Smith who is in California at present. Willis C. Collard of Pomfret nominated Senator Thomas O. Elliott as delegate at large and he was unanimously selected. John C. Phillips nominated E. H. Lillibridge as the second delegate at large and he was also unanimously chosen. Messrs. Elliott and Lillibridge were then invited to take part in the work of the convention by a vote of the other delegates. On motion of ex-Alderman General William A. King, ex-Senator Charles A. Gates was unanimously nominated as state central committee member from the Twenty-ninth district, and the convention then selected Thomas W. Hewling of Chapin to represent the district on the committee of permanent organization in the state convention. Representative William H. Phillips of Hampton, committee on credentials, William A. King as committee on resolutions, John C. Phillips of Plainfield as the committee on rules, and Thomas O. Elliott of this city as vice president. On motion of William A. King, Thomas O. Elliott was selected to present the names of the committees and the names of Mr. Gates for state central committee to the state convention.

William A. King then offered the following resolution which was adopted unanimously amid much applause: The delegates to the Twenty-ninth senatorial district, in district convention assembled, cordially and unanimously endorse Charles A. Gates of Willimantic as a delegate from the Second congressional district to the republican national convention at Chicago.

Mr. Gates then thanked the members of the convention for their loyal endorsement and invited the delegates and various other friends to dine with him at the Hotel Hooker after the adjournment of the convention. Before adjournment the convention thanked Mr. Gates for his cordial invitation to dinner. These delegates were present: Brooklyn—Charles H. Blake, B. L. Bailey.

March Health Report.
The report of City Health Officer Dr. W. P. Keating to the state board of health for March discloses the fact that there were twenty-four cases of contagious disease reported to him during the month, as follows: Smallpox 21, scarlet fever, tuberculosis and typhoid fever, one each. Of the smallpox cases seven have now recovered and been released from quarantine.

Big Easter Mail.
The amount of mail matter of all classes handled at the local postoffice Saturday was unusual, surpassing any Easter holiday within memory. Postmaster Charles H. Dimmock said it was entirely unexpected and resembled the quantity handled at Christmas. It included thousands of Easter cards and advertising matter and kept all the clerks and carriers on the jump throughout the day. It was easily the biggest Easter business handled through the Willimantic office.

Stricken with a Shock.
Mrs. Mary A. Lynch was stricken with a shock shortly after retiring, at her home, 50 Park street, Friday evening. A physician was called and examination showed Mrs. Lynch's entire body was paralyzed. She was removed to St. Joseph's hospital for treatment.

Issued Papers to Aliens.
Edgar M. Warner of Putnam, clerk of the superior court for Windham county, was in Willimantic Saturday for the purpose of issuing papers to aliens who contemplate becoming citizens of this country. He spent a portion of the afternoon in the superior courtroom in the county courthouse, meeting all aliens who put in an appearance.

Concealed Child Who Has Smallpox.
Still another case of smallpox has been reported. It is Dona Lusier, age 7, a daughter of Mr. and Mrs. Clement Lusier of 61 Chapman street. When the case was reported the city health officer visited the home and of the fourteen occupants could find but thirteen. A careful search revealed the girl, however, although the names of the household tried to conceal the impression that there was no one afflicted with the disease in the house. This goes to show what a proposition the authorities are up against.

FUNERAL.
Edmund P. Colbert.

The funeral of Edmund P. Colbert was held Saturday morning at 10:30 o'clock at St. Joseph's church and was largely attended. Among those present was a delegation from the windward department of the American thread company, where deceased had been employed as a second hand. There were beautiful floral tributes. Rev. T. H. Sullivan celebrated the requiem high mass. The body was taken to Portland on the 11:25 train for burial in the afternoon in St. Mary's cemetery. The bearers were Patrick J. Colbert, Patrick Colbert, John Connolly, Michael Dwyer, John J. Hampton, Philip Dwyer of New Haven, and Edward P. Leary of this city.

Mr. Ellen Colbert.
The funeral of Mrs. Ellen Colbert, who died Wednesday at her home in South Windham, was held Saturday morning at 10:30 o'clock at St. Joseph's church. Rev. T. H. Sullivan was the officiating clergyman. The bearers were Michael Healey, Jeremiah Healey, Patrick Dwyer of South Windham, and Michael E. Donovan of this city. Burial was in St. Joseph's cemetery.

JACK WEAVER ARRESTED.
Charged With Assault on Wife With Intent to Kill—Was Also Wanted by Federal Authorities.

Jack Weaver was arrested at 9 o'clock Saturday evening by officers of the police department. Weaver is charged with stabbing his wife in the arm some four or five months ago while on her way home from work. He skipped out at that time and all efforts to locate him have been ineffectual up to Sunday. He has not only baffled the local authorities but the federal officers as well have been looking for him, sending various obscene and threatening letters through the mails.

Weaver had evidently just landed here on a freight Sunday night and was on his way to the home of Peter Girard of Tuesday street. Girard notified him on the street, held him and called the officer. The charge against Weaver is assault with intent to kill. Additional charges will also be made against him by the federal authorities. For some weeks past it is understood that Mrs. Weaver has been working in Providence but spent Easter at the home of her mother, Mrs. Lacroix, in Putnam. Weaver has caused the police much trouble by frequently jumping bail to New York and back again.

Mr. Girard only Saturday received another incriminating postcard from Weaver, postmarked New York, April 2. Weaver will be on trial this Monday morning, although the case will probably be continued a day.

Indications were that more business was transacted in Danielson Saturday, as far as stores are concerned, than on any other day since Christmas week. Shoppers despatched on the dry goods, millinery and clothing stores in such numbers as to keep those serving them on the jump during the greater part of the day.

To Open House April 17.

PATROL OF MAIN STREET
Desired by Some, Opposed by Others Not Benefited.

In the warning for the annual borough meeting is a clause "to see what action the borough will take in regard to furnishing police patrol of Main street, between the Congregational church and the northern borough line, between the hours of 6 o'clock and 12 o'clock p. m." To voters who expressed an opinion on the matter Saturday this proposition appears like an effort to secure a special favor in the way of police protection.

As against the request for this special protection it is pointed out that not even the business section of Danielson is policed at the expense of the borough, excepting on Saturday nights and Sundays, and that as far as on all night policing of the business section is concerned, if it can be considered as police protection at all, the total expense of it, this being in paying a salaried watchman who is not an officer, is met by the business men, who contribute a certain amount each week.

This being true, there are many voters who cannot quite see their way clear to a vote to meet the expense of police protection six hours each night to a certain well lighted section of the town that is as safe or more safe to travel in at any time of the day or night as in any other section of Danielson, no part of which has such protection as is sought.

Those who oppose the plan do so principally on the theory that it would not be as equitable and fair to ask all of the voters to pay for the cost of the police patrol of Main street, while the streets others lived on might have to along without them, or to request an exclusive sewer service or the advantage of any other public utility for the benefit of a few at an expense to all.

Broad street or Maple street or Franklin or Furnace street, it is held, is as fully entitled to police protection, if any is to be given, as is the section of Main street, purely residential, that seeks it.

MONUMENT AT AUCTION.
White Elephant on the Hands of Railroad Claim Agent Who Bid \$10.

There was an auction sale of unaccepted goods at the freight station of the New Haven road here Saturday morning. Two wagons were sold for a total of \$14. The interest of the \$6 or more persons that gathered, however, was centered in what was to have been the sale of a granite monument, lettered with the inscriptions wanted by the family that ordered it about four years ago, in transit from Danbury, Vt., the car carrying the monument went astray, reaching south as Texas before it finally reached Danielson. When it did get here, chipped and otherwise damaged, the consignee would not accept it. Hence the sale.

The crowd at the sale must have looked like buyers with ready money to the road's claim agent, for he made an opening bid of \$10 for the monument. This proved to be such a strong opener that no other bids were received, so the granite piece was to be shipped to West Quilley and again on for sale by the railroad on Wednesday of this week. The original value of the monument is said to have been from \$125 to \$150.

Horse Thief Came by Auto.
The following special from Putnam appeared in the New York Sunday World:

The police assert that the mystery of a series of horse thefts in this vicinity, continuing through years, has been solved by the arrest in Massachusetts of DeLong Stevens. The police say this young man is the operator, while the principals traveled in an automobile.

The raids on stables were made in the automobile. Stevens, it is alleged, would break into a barn and hitch up the horses, always selecting the best in the stable, as well as the best carriage.

While Stevens drove off in the stolen rig, the auto followed.

George Young of Woodstock had a \$1,000 span of horses stolen from his barn in 1908. His son George traced the span to Worcester, but lost the trail in that city. A few days afterward he received an anonymous letter informing him that he had died in a restaurant at the same table with the man who stole his horses, and that the letter was written by the thief.

DeLong is held in the Maine State Prison. While there other owners he has robbed await his discharge from prison to take their turns in prosecuting.

HAVE BEAUTIFUL HAIR.

A Simple Remedy Cures Dandruff and Stops Falling Hair.

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair, and for every one of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank, smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of dandruff and loose hairs and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations a common garden Sage has been used for restoring and preserving the color of the hair, and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a 50-cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment.
